Welcome To

Matriye Academy

We are the emerging player in the digital learning industry that offers courses with theory, lectures, live assessment, practical, and placement assistance. We provide a world-class online learning setup for universities and teachers to conduct their academic sessions.

With the help of our latest technical developments, we are making it possible for every passionate teacher to enjoy a new mode of online tutoring job & entry of work from home in the educational industry.

Our Mission

We are on a mission to create an outstanding online learning environment that promotes educational excellence, nurture today's young talents, and develop next-gen bureaucrats.

We are dedicated to creating industry-specific courses that give choices for students to kick-start their dream career journey.

We are committed to creating a digital infrastructure that empowers tutors to make a significant contribution to the 21st educational revolution.

Our Vision

We aim to combine our traditional teaching with futuristic online learning.

We are committed to helping students and tutors to succeed at the highest level of education.

We are improving educational standards by implementing online learning to let every student learn courses from the comfort of their home. We aspire to ensure every student has access to quality education.

Our Story

We believe there is a better way to take education to the next level through the power of online learning. A more valuable, less invasive way where students are not just taught but developed with respect to the job needs.

To let students connect and learn from qualified instructors and industry talents, we launched a unique EdTech platform - Matriye Academy.

Why Choose Us

Live classes are held **every day.**
